DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 12-19-07 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants have amended claim 2 to indicate that the EA represents and amino acid sequence. However, the complete sequence as represented by EA followed by residues 15-73 of human intestinal trefoil factor is a 61 amino acid sequence that is not in compliance with the sequence rules. See attached notice to comply. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
